Scott's Branch Intermediate 1401020

### REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Scott's Branch Intermediate School is committed to educating our students to be responsible, lifelong learners who will possess the knowledge, skills, and ethics necessary to be active members of our global society. With the ongoing collaboration of our faculty, students, parents, and community, we will establish a rich tradition of academic excellence. Teachers are currently implementing scientific best practices to teach the state's standards, writing across the curriculum, and using strategies for effectively integrating math and science courses.

Some of our achievements during 2004-05 included: the Palmetto Silver Award for student achievement, Lieutenant Governor's Writing Award winner, national publication of five students' essays and integration of the fine arts programs across the curriculum through the "Different Ways of Knowing Grant."

Our students continue to improve in their academic performance, as measured by PACT. The faculty and staff are committed to raising student achievement in all areas.

As principal elect of Scott's Branch Intermediate School, I am extremely proud of the accomplishments at our school and the support of the SBIS family in 2004-05. It is my hope that an enhanced cooperative partnership between the school, parents, and community will ensure success for all of our students.

Ernestine D. Oliver, Principal Sarah Singleton, School Improvement Council Chair
